

**RESOLUTION #11/12-10**  
**City of Dayton, Oregon**

**Title:**            *Approval for Payment to Toney Excavation & Building for Water Repairs*

**WHEREAS**, the City of Dayton contracted with Toney Excavation & Building to abandon an existing fire hydrant and replace with a new hydrant in the sum of \$3,160.00; and

**WHEREAS**, during the course of work the contractor encountered more extensive repair than was anticipated in his original bid; and

**WHEREAS**, the additional work included extension across 2<sup>nd</sup> Street to expose the active water lines, the water lines to be decommissioned, excavation, backfill and repaving; and

**WHEREAS**, the additional fee for this work is \$5,777.00;

**The City of Dayton resolves as follows:**

- 1)     **THAT** the City Council authorizes the City Manager to pay the additional fee of \$5,777.00 to Toney Excavation & Building for the additional work associated with the water repairs for a total of \$8937.00.
  
- 3)     **THAT** this resolution shall become effective immediately upon adoption.

**ADOPTED this 7<sup>th</sup> day of November 2011**
