**RESOLUTION FOR ACCESSIBILITY  
AWARENESS**

The Accessible Organization and Oregon Paralyzed Veterans of American (Oregon PVA) present this Resolution to support the observance of July as "Accessibility Awareness Month" thus, recognizing the more than 51.2 million Americans with disabilities (US Census Bureau 2012) and the 32.5 million Americans with severe disabilities (unable to perform one or more major life activities or roles).

Therewith, during the month of July, 2012 and every July hereafter with approval of the City Council your City Government shall provide, within the resources of your city government, extra support towards the needs of persons with disabilities by way of media interviews pertaining to accessibility, guest speakers to talk publicly on the Americans with Disabilities Act (ADA) and related accessibility issues, word of mouth communications, and some publications.

Therein, this Resolution will provide a month of remembrance, awareness, support, and education with a goal toward assisting persons with disabilities to live inclusively and independently in this community.

Therefore, the months following July, 2012 will promote attention, and thoughts of the needs of people with disabilities living in your community, and how the City as a whole can better assist their disability related needs.

This is aimed at having a year round positive effect on the lives of persons with disabilities. The Accessible Organization and Oregon PVA formally request that this Resolution be passed.
