

RESOLUTION No. 2021/22-18
City of Dayton, Oregon

***A Resolution Adopting the National Incident Management System (NIMS) for
Emergency Management***

WHEREAS, response to and recovery from major emergencies and disasters requires integrated professional management and coordination; and

WHEREAS, the President directed the Secretary of the Department of Homeland Security to develop and administer a National Incident Management System (NIMS) to standardize and enhance incident management procedures nationwide; and

WHEREAS, the National Incident Management System provides a structure and process to effectively coordinate responders from multiple disciplines and levels of government and to integrate them with resources from the private sector and non-governmental organizations; and

WHEREAS, use of the National Incident Management System, which has as a key component the Incident Command System (ICS), will improve the City of Dayton's ability to manage major emergencies and disasters; and

WHEREAS, failure to adopt and use the National Incident Management System may preclude the City of Dayton from receiving federal preparedness grants;

The City of Dayton, therefore, resolves as follows:

1. **THAT** the City of Dayton hereby adopts the National Incident Management System (NIMS) as the foundation for incident command, coordination, and support activities; and
2. **THAT** it shall further be the policy of the City of Dayton to provide appropriate training on the National Incident Management System and its core components to personnel responsible for managing and/or supporting major emergency and disaster operations; and
3. **THAT** this resolution shall become effective immediately upon adoption.

ADOPTED this 4th day of April 2022.
