A Resolution Declaring April 2023 National Child Abuse Prevention Month

WHEREAS, child abuse is one of our nation’s most serious public health problems with scientific studies documenting the link between the abuse of children and a wide range of medical, emotional, psychological, and behavioral disorders; and

WHEREAS, it is estimated that 1 in 4 children will suffer significant abuse before the age of 18 and in FY2021 over 160,000 contacts were made to the Oregon Child Abuse Hotline – a total of 42,876 received reports were assigned for CPS assessment, and of all completed CPS assessments 7,352 were founded for abuse and involved 10,766 victims; and

WHEREAS, the physical, emotional, mental and financial impact of abuse falls on children of all ages and abilities, who come from all economic, racial and social backgrounds; and these crimes affect many more family members, friends, neighbors and community; and

WHEREAS, effective child abuse prevention efforts succeed because of partnerships created among state and local government agencies, schools, faith communities, civic and community organizations, law enforcement agencies; and the business community while recognizing that feeling connected to community can be a protective factor against child abuse; and

WHEREAS, the City of Dayton is dedicated to stopping child abuse and supporting survivors and their non-offending families while working to prevent it;

WHEREAS, each of us has a role to play in stopping the problem of child abuse as part of a solution – by learning how to prevent, recognize and report child abuse and supporting prevention, education and empowerment programs for children and youth.
