ODOT, the Secretary of State of the State of Oregon (the "Secretary") and their duly authorized representatives shall have access to the books, documents, papers and records of Recipient that are directly related to

this Agreement, the Grant Funds, or the Project for the purpose of making audits and examinations. In addition, ODOT, the Secretary and their duly authorized representatives may make and retain excerpts, copies, and transcriptions of the foregoing books, documents, papers, and records. Recipient shall create and maintain all expenditure records in accordance with generally accepted accounting principles and in sufficient detail to permit ODOT to verify how the Grant Funds were expended.

This Section 7 shall survive any expiration or termination of this Agreement.

8. Recipient Subagreements and Procurements

Recipient may enter into agreements with subrecipients, contractors or subcontractors (collectively, “subagreements”) for performance of the Project. If Recipient enters into a subagreement, Recipient agrees to comply with the following:

a. Subagreements.

- i.** All subagreements must be in writing, executed by Recipient and must incorporate and pass through all of the applicable requirements of this Agreement to the other party or parties to the subagreement(s). Use of a subagreement does not relieve Recipient of its responsibilities under this Agreement.
- ii.** Recipient shall provide ODOT with a copy of any signed subagreement, as well as any other purchasing or contracting documentation, upon ODOT’s request at any time. This paragraph shall survive expiration or termination of this Agreement.
- iii.** Recipient must report to ODOT any material breach of a term or condition of a subagreement within ten (10) days of Recipient discovering the breach.

b. Subagreement Indemnity.

- i.** *Recipient’s subagreement(s) shall require the other party to such subagreements(s) that is not a unit of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless State of Oregon, the Oregon Transportation Commission and its members, the Department of Transportation, their officers, agents and employees from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys’ fees, arising from a tort, as now or hereafter defined in ORS 30.260, caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of*

the other party to Recipient's subagreement or any of such party's officers, agents, employees or subcontractors ("Claims"). It is the specific intention of the Parties that ODOT shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of ODOT, be indemnified by the other party to Recipient's subagreement(s) from and against any and all Claims.

- ii. Any such indemnification shall also provide that neither Recipient's subrecipient(s), contractor(s) nor subcontractor(s), nor any attorney engaged by Recipient's subrecipient(s), contractor(s) nor subcontractor(s) shall defend any claim in the name of ODOT or any agency of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without the prior written consent of the Oregon Attorney General. The State may, at any time at its election, assume its own defense and settlement in the event that it determines that Recipient's subrecipient is prohibited from defending the State, or that Recipient's subrecipient is not adequately defending the State's interests, or that an important governmental principle is at issue or that it is in the best interests of the State to do so. The State reserves all rights to pursue claims it may have against Recipient's subrecipient if the State of Oregon elects to assume its own defense.

c. Subagreement Insurance.

- i. If the Project or Project work is on or along a state highway, Recipient shall require its contractor(s) to meet the minimum insurance requirements provided in Exhibit C. Recipient may specify insurance requirements of its contractor(s) above the minimum insurance requirements specified in Exhibit C. Recipient shall verify its contractor(s) meet the insurance requirements in Exhibit C.
 - ii. For all Project work that is not on or along a state highway, Recipient shall determine insurance requirements, insurance types and amounts, as deemed appropriate based on the risk of the work outlined within the subagreement. Recipient shall specify insurance requirements and require its contractor(s) to meet the insurance requirements. Recipient shall obtain proof of the required insurance coverages, as applicable, from any contractor providing services related to the subagreement.
 - iii. Recipient shall require its contractor(s) to require and verify that all subcontractors carry insurance coverage that the contractor(s) deems appropriate based on the risks of the subcontracted work.
 - iv. Recipient shall include provisions in each of its subagreements requiring its contractor(s) to comply with the indemnification and insurance requirements in Paragraphs 8.b and 8.c.
- d. Procurements.** Recipient shall make purchases of any equipment, materials, or services for the Project under procedures that comply with Oregon law, including all applicable provisions of the Oregon Public Contracting Code, Oregon Revised Statute (ORS) 279 A, B, and C, and rules, ensuring that:
- i. All applicable clauses required by federal statute, executive orders and their implementing regulations are included in each competitive procurement; and

- ii. All procurement transactions are conducted in a manner providing full and open competition.
- e. **Self-Performing Work.** Recipient must receive prior approval from ODOT Program Manager for any self-performing work.
- f. **Conflicts of Interest.** Recipient's public officials shall comply with Oregon's government ethics laws, ORS 244.010 *et seq.*, as those laws may be subsequently amended.

9. Termination

- a. **Mutual Termination.** This Agreement may be terminated by mutual written consent of the Parties.
- b. **Termination by ODOT.** ODOT may terminate this Agreement effective upon delivery of written notice of termination to Recipient, or at such later date as may be established by ODOT in such written notice, under any of the following circumstances:
 - i. If Recipient fails to perform the Project within the time specified in this Agreement, or any extension of such performance period;
 - ii. If Recipient takes any action pertaining to this Agreement without the approval of ODOT and which under the provisions of this Agreement would have required ODOT's approval;
 - iii. If Recipient fails to perform any of its other obligations under this Agreement, and that failure continues for a period of 10 calendar days after the date ODOT delivers Recipient written notice specifying such failure. ODOT may agree in writing to an extension of time if it determines Recipient instituted and has diligently pursued corrective action;
 - iv. If ODOT fails to receive funding, appropriations, limitations or other expenditure authority sufficient to allow ODOT, in the exercise of its reasonable administrative discretion, to continue to make payments for performance of this Agreement;
 - v. If Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement; or
 - vi. If the Project would not produce results commensurate with the further expenditure of funds.
- c. **Termination by Either Party.** Either Party may terminate this Grant Agreement upon at least ten (10) days' notice to the other Party and failure of the other Party to cure within the period provided in the notice, if the other Party fails to comply with any of the terms of this Grant Agreement.
- d. **Rights upon Termination; Remedies.** Any termination of this Grant Agreement shall not prejudice any rights or obligations accrued before termination. The remedies set forth in this Grant Agreement are cumulative and are in addition to any other rights or remedies available at law or in equity.

10. GENERAL PROVISIONS

a. Contribution.

- i. If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 (“Third Party Claim”) against ODOT or Recipient with respect to which the other Party may have liability, the notified Party must promptly notify the other Party in writing of the Third Party Claim and deliver to the other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Each Party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by a Party of the notice and copies required in this paragraph and meaningful opportunity for the Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to that Party’s liability with respect to the Third Party Claim.
- ii. Except as otherwise provided in Paragraph 10.b. below, with respect to a Third Party Claim for which ODOT is jointly liable with Recipient (or would be if joined in the Third Party Claim), ODOT shall contribute to the amount of expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by Recipient in such proportion as is appropriate to reflect the relative fault of ODOT on the one hand and of the Recipient on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of ODOT on the one hand and of Recipient on the other hand shall be determined by reference to, among other things, the Parties’ relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. ODOT’s contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if ODOT had sole liability in the proceeding.
- iii. Except as otherwise provided in Paragraph 10.b. below, with respect to a Third Party Claim for which Recipient is jointly liable with ODOT (or would be if joined in the Third Party Claim), Recipient shall contribute to the amount of expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by ODOT in such proportion as is appropriate to reflect the relative fault of Recipient on the one hand and of ODOT on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of Recipient on the one hand and of ODOT on the other hand shall be determined by reference to, among other things, the Parties’ relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. Recipient’s contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if it had sole liability in the proceeding.

This Section 10.a shall survive any expiration or termination of this Agreement.

- b. Contract-related Indemnification.** Subject to any limitations imposed by State law and the Oregon Constitution, Recipient agrees to the following contract-related indemnification for all

projects authorized under this Agreement: Where Recipient contracts for services or performs project management for a project, Recipient shall accept all responsibility, defend lawsuits, indemnify, and hold State harmless, for all contract-related claims and suits. This includes but is not limited to all contract claims or suits brought by any contractor, whether arising out of the contractor's work, Recipient's supervision of any individual project or contract, or Recipient's failure to comply with the terms of this Agreement. This Section 10.b. shall survive any expiration or termination of this Agreement.

- c. Dispute Resolution.** The Parties shall attempt in good faith to resolve any dispute arising out of this Agreement. In addition, the Parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.
- d. Amendments.** This Agreement may be amended or extended only by a written instrument signed by both Parties and approved as required by applicable law.
- e. Duplicate Payment.** Recipient is not entitled to compensation or any other form of duplicate, overlapping or multiple payments for the same work performed under this Agreement from any agency of the State of Oregon or the United States of America or any other party, organization or individual.
- f. No Third-Party Beneficiaries.** ODOT and Recipient are the only Parties to this Agreement and are the only Parties entitled to enforce its terms. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly or indirectly, to a third person unless such a third person is individually identified by name herein and expressly described as an intended beneficiary of the terms of this Agreement.
- g. Notices.** Except as otherwise expressly provided in this Agreement, any communications between the Parties hereto or notices to be given hereunder shall be given in writing by personal delivery, email or mailing the same, postage prepaid, to Recipient Contact or ODOT Program Manager at the address or number set forth on the signature page of this Agreement, or to such other addresses or numbers as either Party may hereafter indicate pursuant to this Section 10.g. Any communication or notice personally delivered shall be deemed to be given when actually delivered. Any communication or notice delivered by facsimile shall be deemed to be given when receipt of the transmission is generated by the transmitting machine, and to be effective against ODOT, such facsimile transmission must be confirmed by telephone notice to ODOT Program Manager. Any communication by email shall be deemed to be given when the recipient of the email acknowledges receipt of the email. Any communication or notice mailed shall be deemed to be given when received.
- h. Governing Law, Consent to Jurisdiction.** This Agreement shall be governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively, "Claim") between ODOT (or any other agency or department of the State of Oregon) and Recipient that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within the Circuit Court of Marion County in the State of Oregon. In no event shall this section be construed as a waiver by the State of Oregon of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, from any Claim or from the jurisdiction of any court. Each party

hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.

- i. Compliance with Law.** Recipient shall comply with all federal, state and local laws, regulations, executive orders and ordinances applicable to the Agreement or to the implementation of the Project, including without limitation as described in Exhibit B. Without limiting the generality of the foregoing, Recipient expressly agrees to comply with (i) Title VI of Civil Rights Act of 1964; (ii) Title V and Section 504 of the Rehabilitation Act of 1973; (iii) the Americans with Disabilities Act of 1990 and ORS 659A.142; (iv) all regulations and administrative rules established pursuant to the foregoing laws; and (v) all other applicable requirements of federal and state civil rights and rehabilitation statutes, rules and regulations. Recipient agrees to comply with the requirements of ORS 366.514, Use of Highway Fund for footpaths and bicycle trails.
- j. Insurance; Workers' Compensation.** All employers, including Recipient, that employ subject workers who provide services in the State of Oregon shall comply with ORS 656.017 and provide the required Workers' Compensation coverage, unless such employers are exempt under ORS 656.126. Employer's liability insurance with coverage limits of not less than \$500,000 must be included. Recipient shall ensure that each of its subrecipient(s), contractor(s), and subcontractor(s) complies with these requirements.
- k. Independent Contractor.** Recipient shall perform the Project as an independent contractor and not as an agent or employee of ODOT. Recipient has no right or authority to incur or create any obligation for or legally bind ODOT in any way. ODOT cannot and will not control the means or manner by which Recipient performs the Project, except as specifically set forth in this Agreement. Recipient is responsible for determining the appropriate means and manner of performing the Project. Recipient acknowledges and agrees that Recipient is not an "officer", "employee", or "agent" of ODOT, as those terms are used in ORS 30.265, and shall not make representations to third parties to the contrary.
- l. Severability.** If any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if this Agreement did not contain the particular term or provision held to be invalid.
- m. Counterparts.** This Agreement may be executed in two or more counterparts, each of which is an original and all of which together are deemed one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart.
- n. Integration and Waiver.** This Agreement, including all Exhibits, constitutes the entire agreement between the parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. The delay or failure of either party to enforce any provision of this Agreement shall not constitute a waiver by that party of that or any other provision. Recipient, by the signature below of its authorized representative, acknowledges that it has read this Agreement, understands it, and agrees to be bound by its terms and conditions.

State reserves the right at any time to require the submission of the hard copy originals of any documents.

The insurance must be provided by insurance companies or entities that are authorized to transact the business of insurance and issue coverage in the State of Oregon and that are acceptable to the Recipient. Recipient shall not authorize work to begin under subagreements until the insurance is in full force. Thereafter, Recipient shall monitor continued compliance with the insurance requirements on an annual or more frequent basis. Recipient shall incorporate appropriate provisions in the subagreement permitting it to enforce compliance with the insurance requirements and shall take all reasonable steps to enforce such compliance. In no event shall Recipient permit work under a subagreement when Recipient is aware that the contractor is not in compliance with the insurance requirements. As used in this section, “first tier” means a subagreement in which the Recipient is a Party. All references to “contractor” in this Exhibit refer to Recipient’s contractor as identified in this Paragraph 1.a.
- b. The insurance specified below is a minimum requirement that the Recipient shall require each of its contractors to meet, and shall include such requirement in each of Recipient’s subagreements with its contractors. Recipient may determine insurance types and amounts in excess of the minimum requirement as deemed appropriate based on the risks of the work outlined within the subagreement.
- c. Recipient shall require each of its contractors to require that all of its subcontractors carry insurance coverage that the contractor deems appropriate based on the risks of the subcontracted work. Recipient’s contractors shall obtain proof of the required insurance coverages, as applicable, from any subcontractor providing Services related to the Contract.

Notwithstanding the foregoing twenty-four (24) month requirement, if the contractor elects to maintain “tail” coverage and if the maximum time period “tail” coverage reasonably available in the marketplace is less than the twenty-four (24) month period described above, then the contractor may request and ODOT may grant approval of the

maximum “tail “ coverage period reasonably available in the marketplace. If ODOT approval is granted, the contractor shall maintain “tail” coverage for the maximum time period that “tail” coverage is reasonably available in the marketplace.
